# **GRAPEVINE'S** HISTORY

## Grapevine is the Definitive Trust **Trust Marketing Agency**

Founded in 2012, Grapevine is one of the world's first leading influencer marketing organizations. Brands leverage Grapevine's workflow management software and proprietary tracking and analytics to measure direct response and conversion rates from promotional content on YouTube, Facebook, and Instagram.

Grapevine has worked with US Census Bureau, Pepsi, Coca-Cola, Black + Decker, Homechef, Anheuser-Busch, and Sally Beauty.

In November 2019, Grapevine CEO launched Grapevine Shops to create a community where consumers can connect with small best class brands that are innovative or mission driven. By joining with small businesses, Grapevine helps the brands scale and grow which also helps consumer to find these brands in one spot. Teaming up with influencers who promote the brand by joining the affiliate program, brands team up with influencers that drive sales to their business and influencers support mission driven brands.

## **CREATORS**

Grapevine builds long term partnerships with entrepreneurial creators that promote the free product they receive from partner brands. The influencers have unique landing pages that allow consumers to shop directly from their favorite creators.

Through multiple posts, the creators share their personalized landing page to push sales. Grapevine creates these personalized pages on the website for each influencer to send their followers to. This allows the customers to shop all their influencer's favorites.

## **HOW TO JOIN GRAPEVINE SHOPS**

Selected brands can join Grapevine Shops by installing Syncio, a plugin that syncs your inventory, photos, and product details to Grapevine Shops E-commerce site and enables us to push orders to your Shopify store. This app works only with Shopify stores.

From Syncio the brand needs to set up as a source store and link to our store.
